Dear *Alex,*

Praised be Jesus Christ!! I would like to thank you for your time and hard work at our Marian Residence Fundraiser on Tuesday June 12th. Unfortunately I was unable to be with you but you were in my prayers that evening.

It was a success because of people like you who took the time to help us. Whether you helped serve supper, BBQ, set up the parking lot, serve the food, help our residents, collect money, clean up the garbage or put away the chairs.....know that it was all very much appreciated. May God reward each of you.

In Our Lady,

Sr Michael Daniel
